

**POLYGRO 200 GREENHOUSE FILM PRO RATA WARRANTY**

POLYGRO EVA Greenhouse film is warranted in New Zealand against breakdown by Ultra violet rays (UV ) for a period of 4 seasons from purchase date. (see exclusions below)

If UV breakdown occurs and is confirmed by the manufacturers sample analysis, a pro-rata credit will be allowed on replacement sheeting supplied by Cosio Industries Ltd ( CIL Plastics ) Auckland.

**PRO RATA REPLACEMENT**

A credit against the purchase of replacement sheeting from Cosio Industries Ltd, will be given for the unused portion of the warranty period stated above, based on the original invoiced value of the film.

The commencement date of this warranty is the original invoice date of the sale. This warranty applies to the original purchaser of the film only and is not transferable.

Cosio Industries Ltd (CIL Plastics) liability is limited to the replacement of film supplied under the terms of the above warranty. The manufacturer or its agents accept no claims for consequential damages or labour arising from any claim whatsoever for replacement films or covers. This clause is not intended to apply where the Consumer Guarantees Act 1993 applies to the supply.

**EXCLUSIONS TO THE WARRANTY**

This warranty does not cover damage or breakdown caused by the following :

- Mechanical damage of any kind.*
- Chemical or spray damage including damage caused by use of sprays in the greenhouse.*
- Damage caused by wind, storm, hail or other Act of God.*
- Extremes of temperature outside of the normal average in NZ.*
- Breakdown of film on frames or hoops of structure where Frametape or other Cosio approved method has not been used.*
- Mould, dirt, soil or other external contaminants. Polygro sheeting must be kept washed and cleaned to prevent mould and contaminants from affecting the performance of the film. Do not use sulphur based cleaners on the film.*
- Construction methods or use of product where all due care and attention is not taken by the purchaser to ensure that the films are installed properly and in accordance with the use intended for the product.*
- (Installation information is available from Cosio Industries Ltd to ensure that Polygro 200um film is installed properly)*
- Improper storage of roll or cover prior to use. This includes, but is not limited to, damage to folds caused by standing rolls on end and or damage to film including overheating of rolls or covers by storage in sheds or outdoors in hot or damaging environments.***

**PURCHASERS RECORD**

Product : POLYGRO EVA 200um Greenhouse Film

Date Purchased : ..... Invoice / Receipt Number .....
